I hereby certify that the above correspondence is

Dear Sir:

Applicant requests a corrected filing date on the above identified application, Serial No.
10/035,667.

On December 27, 2002 the Express Mail envelope was deposited in an Express Mail drop
box. Normally, the United States Postal Service is to mail the customer copy to us after
completion of the form, which includes the "date in" showing the date of deposit. We did not
receive the customer copy of the Express Mail form. In many subsequent attempts with the
United States Postal Service we were unable to obtain a copy of this form, and they have no
explanation as to why we did not receive our copy.

Enclosed is a copy of the Non-Provisional Application Fee sheet showing the Express
Mailing Certification stating the patent application was mailed on December 27, 2001.
Applicant requests a filing date of December 27, 2001.

In the alternative, enclosed is a copy of a United States Postal Service form indicating the
USPTO received the above referenced Express Mail on December 31, 2001. An attempt was
made on December 30, 2001, no reason was given for the USPTO not receiving the Express Mail
on this date and they subsequently delivered the Express package on December 31, 2001 at 7:34
AM, signed by Vernon Register. Obviously, the package was deposited prior to December 31,
2001. If our request for a December 27, 2001 filing date is denied, a filing date of December 30
or December 31, 2001 is requested.
